# White Tara healing sessions with Crystal Singing Bowls in your Personal Key

with Anna Howard (MA Oxon) and Dean Carter (MA Oxon)

## Monday 14th January

Osborne Village Hall, Osborne, 1 mile from Sherborne DT9 4LA

**Dean** is a musician and facilitator of sound healing, who in 2006 founded the Centre for Pure Sound, the focus of which - being the use of exclusively Pure Sound Healing modalities - sets it apart from other approaches in the field.

**Anna** has trained with the National Federation of Spiritual Healers and as a Reiki practitioner, and has trained extensively in the Vajrayana path, receiving many teachings and empowerments from Tibetan Buddhist Masters.

**Dean and Anna** are offering for the first time a combination of their modalities for individual clients: Anna's White Tara Healing, a fusion of traditional healing methods with White Tara energy, given simultaneously with Dean's individually tailored Soundbath using Crystal Singing Bowls and vocal overtone in the client's Personal Key.

**Limited spaces • available from 10am - 4pm • Session £50**
